Action Hotel is a 102 rooms accommodation in the Nakheel city in the state of Ras al Khaimah and situated near to all major places within the city. The hotel includes Three-star certification with self-contained Rooms and two bed room apartments, conference facilities, gymnasium and food and beverage outlets open to the public. The surrounding of Nakheel city view and within 2km distance to all major shopping malls and public beaches.

At Action Hotel, we recognise the activities of our Hotel have the potential for negative impacts on the environment and community if not properly managed. As such we have implemented an Environmental Management System that meets the requirements of the Responsible RAK Company Standard.

Action Hotel is committed to continual improvement measured by way of annual Benchmarking Assessments. The team at Action Hotel strives towards minimising our footprint on the environment by implementing sustainable initiatives aimed at improving the hotel's performance, reducing the use of Energy and Water and the production of Waste.

Action Hotel will comply with all relevant legislation and regulations, and aims to achieve international best practice. We have appointed our Engineering Supervisor as the Responsible RAK Coordinator, who has responsibility for improving the Hotel's sustainable performance.

Special consideration will be given to employing and empowering local employees, and wherever possible sustainable products and services will be sourced locally in accordance with Fair Trade principles.

We encourage staff to present our commitment to environmental and social sustainability to all key stakeholders including guests, suppliers and contractors.
